WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Barre women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Barre woman's words:

Mrs. M. Gambel, 31 Brooklyn street, Barre, Vt., says: "I suffered terribly for two or three years with severe pains across my back and up my side. I had headaches and spells of dizziness and a distressing kidney weakness that compelled me to rise often during the night and thus disturbed my rest. The doctors gave me medicines but I received little benefit until I procured Doan's Kidney Pills sold by E. A. Drown, the druggist. It was only a few days before I could see that they were helping me. The improvement was gradual and as I kept on taking the remedy I became better in every way. My kidneys became normal in action. I can honestly say that I never found anything that proved of such great benefit as Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
